

Liam the Park Keeper

Meet Liam the park keeper

Do you like being out in the open air? Liam does! He works as a park keeper, which means he is outside all day long. He can listen to the birds and look at the beautiful trees and plants.

Liam has to keep his areas of the park looking their best for visitors, especially the rose garden. It's a very demanding job, but Liam enjoys it.

Through the seasons

Liam's jobs change throughout the seasons.

Liam's jobs change throughout the year. Spring is the time to care for the lawn and old flower beds. Flowers are planted in spring ready for summer. From spring until autumn, the grass needs to be cut once a week.

During summer, Liam's main job is keeping the displays looking their best. Flower beds are watered every day and weeded. As the flowers fade, Liam cuts away the old parts.

In autumn, Liam plants bulbs ready for spring. He collects fallen leaves and gives the lawn some well-needed treatment.

In winter, he digs over the empty flower beds to keep the soil in good condition. He also creates new beds. The winter frost helps to break up the soil.

What Liam likes about his job

For Liam, the very best part of being a park keeper is being outside. Liam likes being outside and being active. He would feel very restless if he had to sit at a desk all day. Gardening keeps him fit, too.

Liam likes planting things and watching them grow. Every day, he sees how the park's visitors enjoy the gardens, and this gives him a real sense of achievement. He also likes being able to enjoy the park quietly in his spare time.

Liam enjoys time with the other park keepers. They do many jobs as a team, and Liam likes being able to talk to the others while he works.
