

Find items in our school that have right angles, then record your findings in this table.

| Item with a right angle | Drawing of the item |
|-------------------------|---------------------|
|                         |                     |
|                         |                     |
|                         |                     |
|                         |                     |
|                         |                     |
