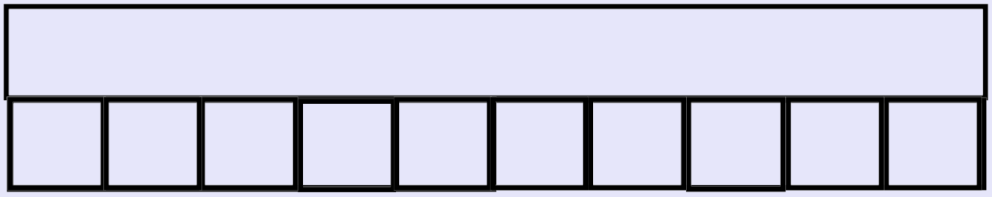
There are ten hundreds in 1000



Represent this on the bar model

13.9.22 Recognising the place value of 1000

"There are 10 one hundreds in 1000."

No that's not right, there are 100 tens in 1000.

Agree or disagree? Explain why.

15.9.22 Compositions of 1000

Use the number line to solve the equations

450 + _____ = 1000

360 + _____ = 1000

580 + _____ = 1000

220 + _____ = 1000
