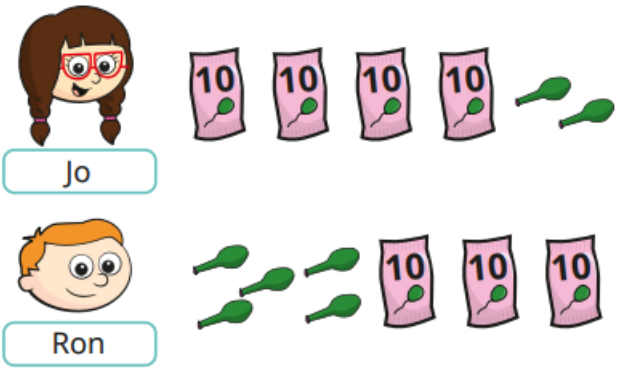
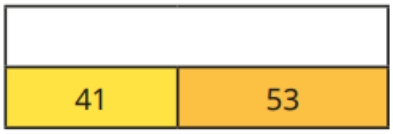
MPI: adding 2 digit numbers (not crossing a ten) - sheet 2

Jo and Ron each have some balloons.

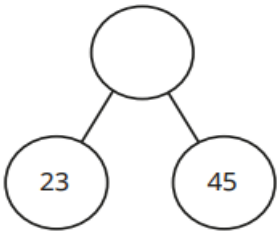


How many balloons do they have in total? _____

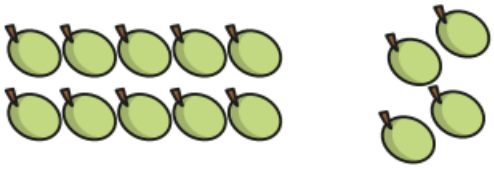
Calculate the whole:



Calculate the whole:



Ron has these grapes.

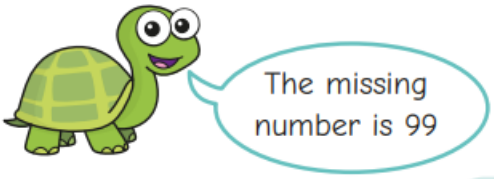


Teddy has 25 more grapes than Ron.

How many grapes does Teddy have?

Tiny is working out the missing number.

57 = 42 + ☐



Explain the mistake Tiny has made.

What is the missing number?
