

Dear Parents/Carers

As the days are getting hotter we need to ensure children are safe in the sun, therefore, please

*send your child in with a **CLEARLY NAMED sun hat**

***sun cream that is also CLEARLY NAMED**- this is for health and safety reasons

Please **DO NOT** put the sun cream in your child's bag but **HAND IT TO THE CLASS TEACHER.**

- Please apply the sun cream **BEFORE** the school day.
- Children will then be monitored as they re-apply it at midday themselves.

Thank you for your support -- Reception Team
