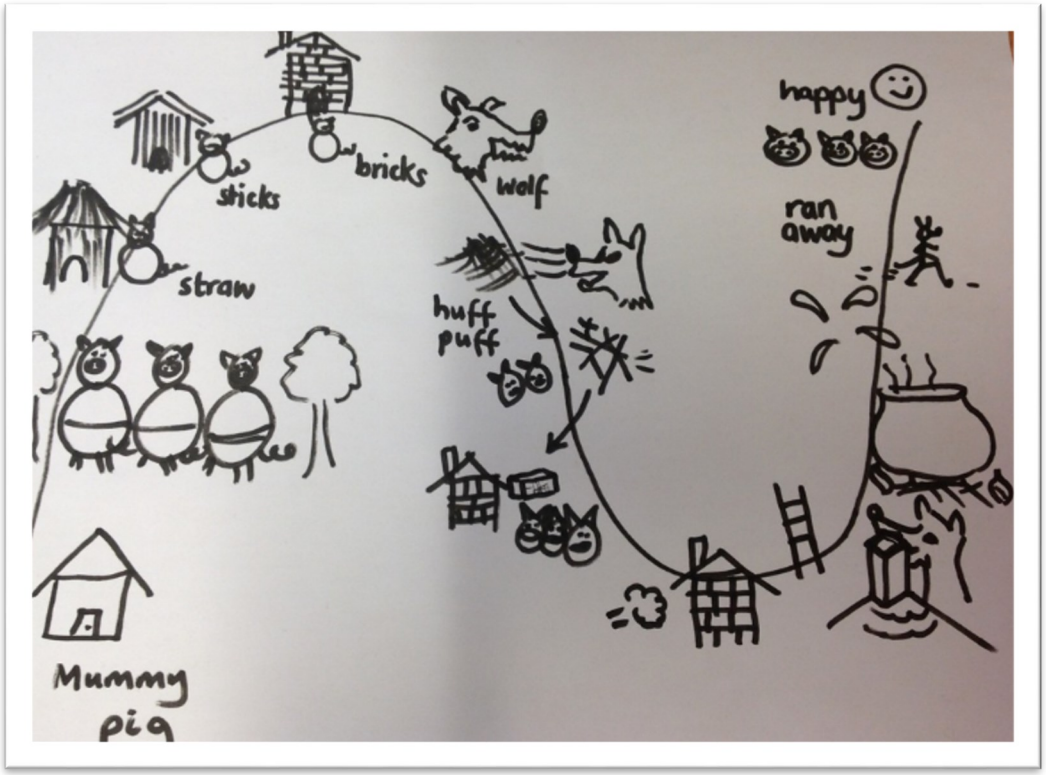
Story Map!

Use your learning from Monday, when you sequenced the story of the Three Little Pigs to help you with todays learning task.



Can you re-tell the story aloud using the story map to help you. Did you remember to include the words of each character?

Create a story map!

Children your challenge today is to draw pictures of the story to create a map like the one in the picture. This will help you to re-tell your version of the story. Remember when you draw your pictures you must include the new animal that you choose from our learning task yesterday. For example you might draw 3 rabbits instead of the pigs but you will need to keep the rest of the story the same.

Extra spicy : Can you write captions or labels next to some pictures e.g "I'll huff and I'll puff and I'll blow your house down" will go next to the wolf. You could use speech marks when you talk as the character.
