## Plurals: adding -s

Watch the following link to learn about how to use plurals: <https://www.youtube.com/watch?v=ID1OaD4FBqM>

Plural means there is more than one of something.

Read the words and then say what they are when there are more than one of those things.

What do you notice?

1 robot  → 3 robots 

1 bluebird  → 2 bluebirds 

In these words, you add an -s to the end of them when there is more than one.

Read the words below and complete the challenges:

1. Fill in the chart below, adding -s to the end of the word when there is more than one.

<i>Singular (only one)</i>	<i>Plural (more than one)</i>
cloud	
heart	
tree	
path	
mountain	

2.

Write a sentence for each word, changing the word from being singular to plural.

E.g. There are 3 Robots sitting on some fluffy clouds above the tall trees.
