Robot quest: ed past tense

Write a sentence explaining each part of your quest underneath the picture. In your sentence you must include an –ed word to make your writing past tense.

Think about how your robot is going to get through each place in your quest. Will they jump, climb, crawl stomp? Add –ed to the verb (action word) to make it past tense but remember not all verbs can be made past tense with –ed. Find below some ed word prompts you could use for your quest. To challenge yourself add in noun phrases to make your quest sound even more exciting and dangerous!

climb**ed**

push**ed**

walk**ed**

jump**ed**

explor**ed**
