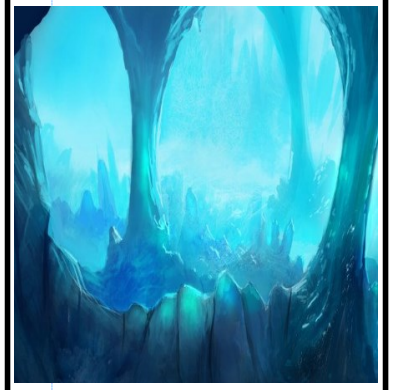
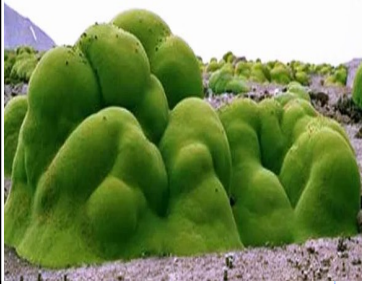
Quest retelling

Retell the story with the –ed verbs and noun phrases

Add sequencing language to your sentences.

You will need: Paper, cardboard, scissors, tape , glue, other materials for creating.

Create a puppet of the robot from the book, you can use any materials you would like to do this.




Then use your puppet to re-tell the story of your quest. Start at the first box and say the sentence you wrote down underneath. Do the same for the next two boxes. When you have finished retelling the story from what you had written yesterday, challenge yourself to re-tell the story again but this time improving your sentences to make them even more exciting and dangerous!
