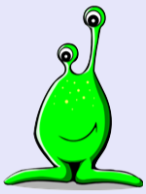
Phonics sounds: soft 'c'



stuce

blace

phice

cirsh

glice

1. can you segment the sounds to sound out the alien words? Remember to spot the split digraphs! E.g s-t-u-c-e

2. Can you write the aliens names and sound button them?

3. Can you create your own alien name using the soft 'c' sound.

Remember that the soft c usually goes in the middle of a split digraph or at the beginning of a word.
