Daily Reading

Read through the texts on each page and answer the questions.

Follow this link: https://www.literacyshed.com/girlandrobot.html

Watch the film up to the title screen.

- *Can you guess what it is going to be about? Are there any clues?*

Watch up to 1:45.

- *Come up with questions. (Why is she building it? Where are her parents?)*

Collect a list of vocabulary to do with machinery, cranks, pipes, spanners, sprockets and bolts.

- *Can you add any of these labels with descriptions to your robots you designed in topic?*

Watch the full animation.

- *Create a journal page for the girl, charting her successes and failures over a week. Perhaps using language to show her frustration.*

- *What happens next? Write the next part of the story.*
