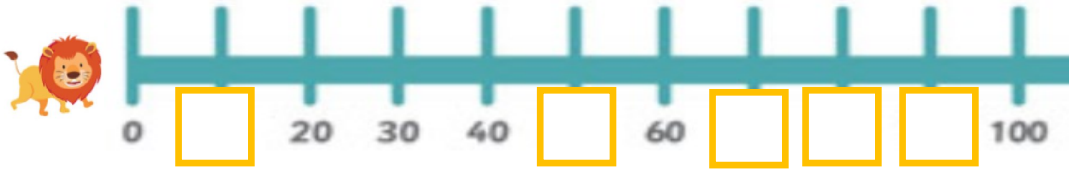
Count forwards and backwards in multiples of 10

Spicy

Key vocabulary: groups, multiples, times

1. Draw arrows to show Leos jumps of 10 and fill in the missing numbers.



2. Write and draw the fact family.

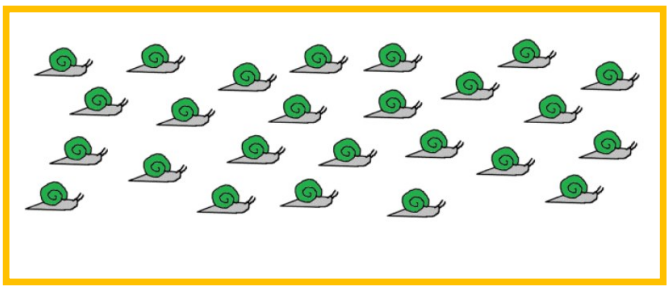
□ x □ = □

□ x □ = □

□ ÷ □ = □

□ ÷ □ = □

2. How many snails are there? Can you circle the groups of 10?



Snails

Is this in the 10 x table?

Tell Leo why this is or is not in the 10x tables. How do you know what numbers are in the 10x table?
