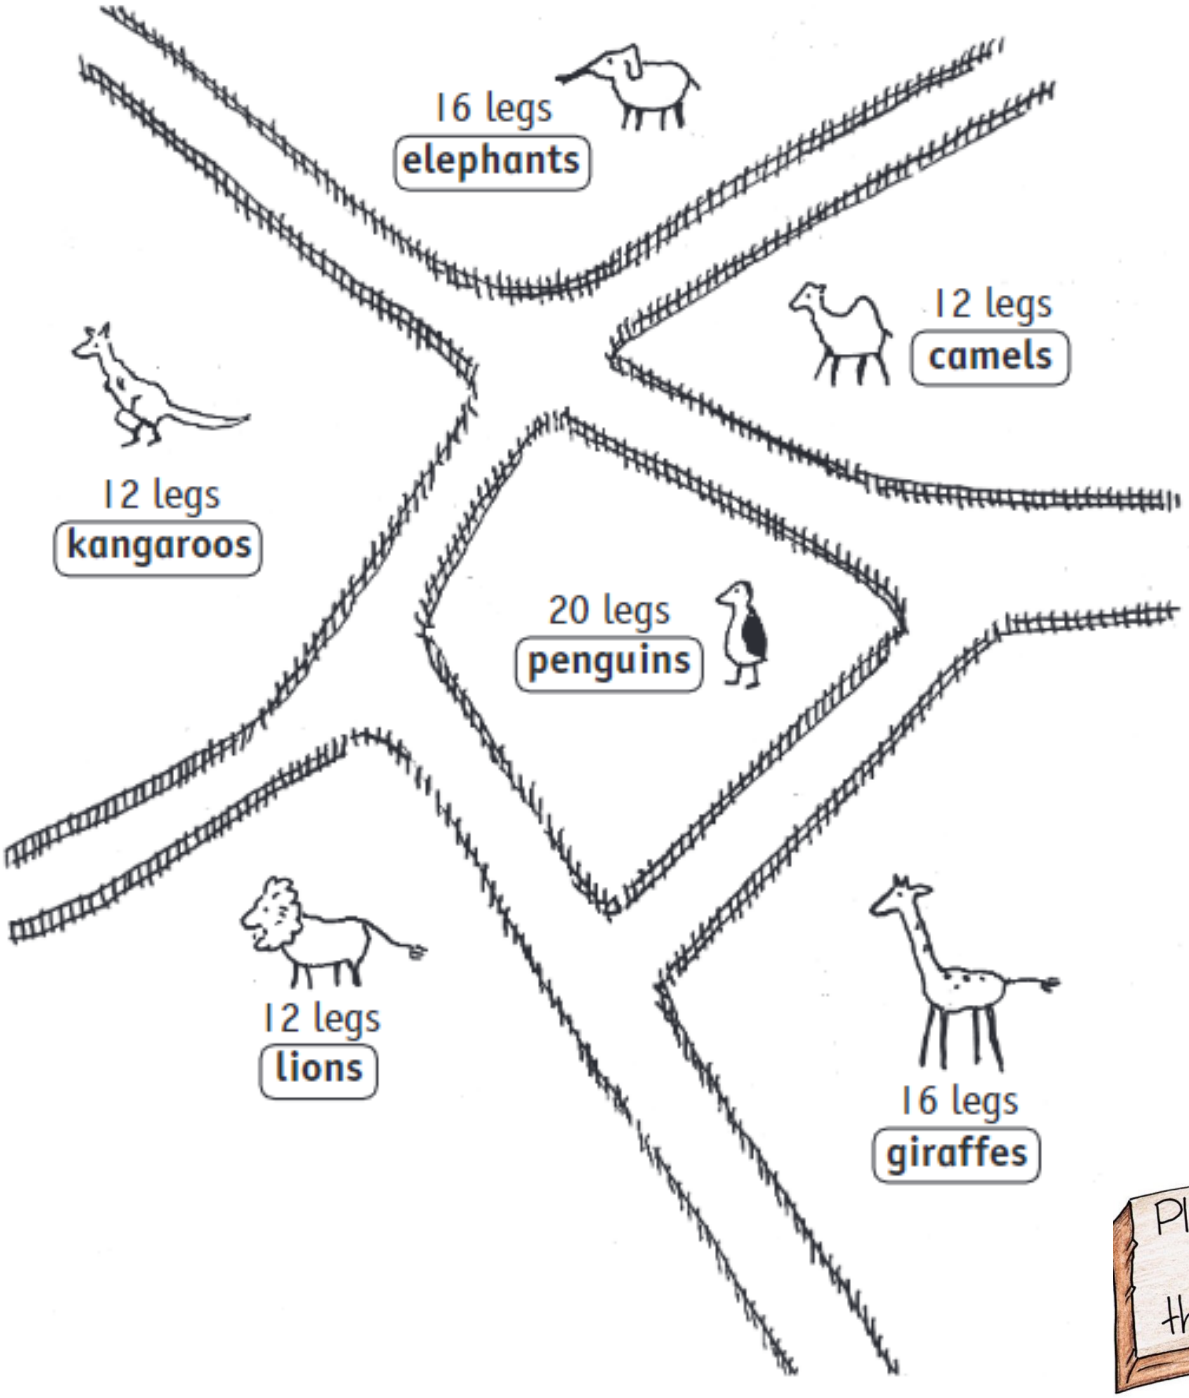
At the Zoo!

Draw a diagram and journal to show your thinking, how will you represent the legs?

Jen went to the zoo. She counted legs.
How many animals did she see altogether? _____



At the bakers!

Draw a diagram for each question to show your thinking, how will you represent the cup

Jane made six cupcakes.

She iced them and then put Smarties on them.

How many Smarties could she put on each cupcake if she had:

1 6 Smarties? _____

2 12 Smarties? _____

3 18 Smarties? _____

4 24 Smarties? _____
