### Writing a sonnet

Try writing a sonnet. It can be about anything you'd like! Remember:

- They have 14 lines split into 4 verses
- The first three verses have 4 lines
- The last verse has 2 lines

**He is old and tall The Oldman tree.  
His branches reach in to the sky.  
The Oldman tree has knobberly knees.  
He towers tall, he towers high.**

**His bark is rougher than a rock.  
There are leaves curled in his hair.  
His canopy hides an eagle flock.  
You must not climb him, you must not dare.**

**Oldman tree sings a sappy song at night.  
He hides in every forest path.  
His song is gooey-sweet, filled with delight.  
Listen out for his creaking laugh.**

**Oldman tree grows in every wood  
Singing songs and doing good.**
