RELEASING THE IMAGINATION: CELEBRATING THE ART OF THE POSSIBLE

26th March 2020.

Dear Children ... no ... To the wonderful Children of UCPS,

This must feel a very strange time for you all. It feels weird for us to. I know some of you might be worried and some of you confused. All this Corona Virus stuff will pass.

I want you all to know how very special you all are. You each make the school a very enjoyable place to be ... you are fun, cheeky, interesting, curious, kind, hard working and also a little bit crackers!

This time away from school is a chance for all of us to learn about RESILIENCE and COURAGE and COMPASSION.

All your teachers and learning coaches and us all will miss seeing you each day. But school will open again and we can not wait. Be good ... and if you can't be good, be brilliant.

Kindest wishes and POWER!! Dr. Biddulph
