Story starter!

Ever since she was little, Emily could control the weather. Whenever she felt sad it started to rain...

What causes the weather to change in the story? What about in reality?

Can you think of different types of weather and match them up with different feelings that Emily experiences? For example, it is sunny when she is happy.

What is your favourite type of weather and why?

Do Emily's powers work without the umbrella?

Do Emily's parents have similar powers do you think?

What problems/benefits are there to Emily's powers?

Story starter!

She held hope in her outstretched hands. Kneeling gently on the ground, she prepared herself for what she knew she must do. The cool water trickled through her muddy fingers, and the soft, black earth felt comfortingly warm on her palms.

Planting the tree of life would mean a new beginning. The opportunities were endless...

Feeling the excitement course through her quivering body, she lowered the tree of life into the small hole she had prepared. It was time...

Is the tree small or is the person large?

What do you think will happen after the tree is planted?

If you could start a new world, how would it be different to ours?

Where do you think the tree has come from?

Who might the person holding the tree be?

Where has the water come from?

Story starter!

“Hmmm. Where shall we go this time?” Jeremy asked his brother.

“How about there!?” replied Max excitedly. “We’ve always talked about going there!”

The brothers both put their fingers on the part of the world they had chosen, and waited for the magic to happen.

“I wonder if it will be as fun as our last trip,” mused Jeremy, as the globe began to glow...

In what way is the globe magical?

Where do you think the brothers have pointed to?

Why is the globe glowing?

What will happen next?

What do we know about their last adventure?

What do you think will happen this time?

How will they return home, do you think?

Which of the brothers is Max?

Who is in charge on their adventure?

If you had a magic globe, where would you go first?

The magic tree

Story starter!

The tree was all that remained. A solitary figure, it stood there in defiance of the destruction surrounding it. The bark had begun to peel away, one piece at a time, joining the wreckage of other trees that lay scattered across the scorched earth.

This tree was different to the other trees. It contained magic. It contained hope...

Can you continue the story? What is so different about this tree? What has happened to the other trees around it?

What do you think has caused the destruction all around the tree?

Why has this one tree survived?

If you walked through the portal, what would happen to you? What would you see?

If this portal to another world, would you go through it or stay on Earth, even if you had no idea what could happen?

Is it good to take risks? Are some risks riskier than others?
