

Animal Moves

Can you be creative and become lots of different animal characters?

Time to Learn:

- Choose some music that reminds you of an animal.
- Become an animal character. Can someone watching guess which animal you are?
- Can you create movements where you pretend you are moving over things or under things in your animal's habitat?
- With a partner, what happens when the two animals meet? Can you create a movement to show what happens?

Show your movements to a partner and see what they think?
